THE ART OF DEACCESSIONING SCHEDULE

Date: March 15, 2018

Time: 10:00 am - 4:00 pm

Location: Art Gallery of Guelph, 358 Gordon St., Guelph ON N1G 1Y1

Coordinator: Jessica Lukas, Secretariat Assistant, members@oaag.org

WORKSHOP DESCRIPTION

Deaccessioning is the permanent removal (by sale, trade, gift, trade, recycle and/or destruction) of collection items. In recent years, the deaccessioning of artifacts, places of artwork and entire collections from museums, galleries, libraries, and universities archives have ignited many expository discussions amongst directors, curators, arts administrations, artists, lawyers, politicians and the public alike. If approached appropriately, deaccessioning can be an intrinsic component in maintaining the integrity of a collection, as well as strengthens its value. If done poorly, deaccessioning can result in negative publicity, unbidden financial obligation and in severe cases indictment. This workshop will examine the collection disposal process through best practice strategies and conceptual topics.
